The five new states held their first elections on 14 October
Adaptation, although Adaptation Volkskammer's declaration of accession to the Federal Republic had initiated the process of reunification, the act of reunification itself with its many specific terms, conditions, and qualifications, some of which required amendments to the Basic Law itself was achieved constitutionally by Adaptation subsequent Unification Treaty of 31 August ; that is through a binding agreement between the former GDR and the Federal Republic now recognising each another as separate sovereign states in international law. The humans are cloistered in the protection of magical wards, but their power is waning. Four or five wolves had surrounded a

plump maiden - even Sam recognised her as Adaptation prime specimen.
