For instance if I place a line break in a comma delimited list, the editor can align the list vertically with the resolution of a single whitespace, not 2, 4 or 8 2 - The code looks the same no matter what the local tab size setting is. We do this through stepped-up intelligence-sharing, local risk assessments, innovative methods and technologies, and the key role of operators for a successful implementation of measures. I was trying so hard not to break. Score Cello Sonata, Op.
