Rivers of the Heart: A Fly-Fishing Memoir

Bonaparte was preparing to attack the invaders, and Murat was recalled to Cairo, where he was given the command of the vanguard of the little army assembled. The National Council of State Boards of Nursing, in consultation with patient safety experts and health care leaders, should undertake an initiative to design uniform processes across States for better distinguishing human errors from willful negligence and intentional misconduct, along with guidelines for their application by State boards of nursing and other State regulatory bodies having authority over nursing.

Chuck and the Constipated Cat

Overall, I find the stories in this volume more interesting than those in the previous one, largely because I find the character of Falkayn more interesting than that of Van Rijn.
