The Seven Statements by Jesus while on the Cross

So, if you live in a flat in a multi-story building, you might write something like this: . The task concentrates people's minds on the central message and meaning within their chosen principle, and also prompts thought and discussion about using themes and different media and senses to reinforce or deliver an important message, as distinct from using words alone, which are often not the most powerful or memorable way to convey an important point.

Thoughts from the Heart: Love Poem Anthology

One common tactic was to pass out notecards at the beginning of the year where students could write information they wanted the teacher to know; for example, their preferred name and pronouns, any medical information that might be pertinent, any disabilities or learning difficulties, or other concerns. More often, they looked to broad and idiosyncratic potentialities implicit in European Modernism.
