LEARNING TO BE THANKFUL

Longfellow, however, in his apparent eagerness to be true to every syllable of the Italian, was led to draw too much upon the tempting Latin element, which looks like Italian, and too little upon the stronger, homely Anglo-Saxon element, of his English medium, to bring due conviction to an English ear; he was also betrayed into infelicities of construction and rhythm peculiarly surprising in such a poet as the author of the incomparable Dante Sonnets, a betrayal which has found explanation in the state of his mind and heart during the prosecution of the work. Present-mindedness reveals itself unexpectedly whenever the historian of ideas pursues a particular insight over an extended period.
